

SERVICES BRIEF

Microsoft Office 365

Achieve More With A Fully Integrated Communication Solution

cStor guides you through all steps of the productivity-improvement journey. From deployment-planning to roll out, you can be assured that your team is up to speed and comfortable with all aspects of your new communications solution.

Why Partner With Us?

By partnering with the cStor team of Microsoft experts, you will:

- **Eliminate wait times when calling or emailing Microsoft support**
- **Gain access to Level One tech support with any program**

You can count on U.S.-based top 1 tier support every time, with technicians who are familiar with your environment and can address your issues quickly.

Let's Get Started

Share your communication vision with us and we will develop a tailored solution to fit your needs. Contact cStor to schedule an appointment today, or for more information about our Microsoft Cloud service programs, visit: cstor.com/services/cloud.

cStor's expert team will help you create seamless communication with:

- O365
- Exchange Online
- Dynamics 365
- SharePoint
- Skype for Business
- And More...

About cStor

cStor helps companies strategize, create and implement data center, digital transformation and cybersecurity solutions that help clients leverage IT to enable business transformation, reduce costs, minimize risk and gain competitive advantage.
